Greetings from Duggers!

It's that time of year again to give our greetings from Spring Garden Road, the greatest shopping street east of Montreal! Our store is brimming with the latest and best of men's fashion from Canali, Hugo Boss, Armani, and Polo Ralph Lauren, to the latest from Gran Sasso, Briglia, and Ferrante. Our team is constantly sourcing the best brands from around the world. Our footwear department has never had such an incredible selection from Hugo Boss, Armani Exchange, Johnston & Murphy, Cole Haan, Ecco and more.

I want to thank all of our regular customers — we look forward to seeing you again, along with the new customers we can't wait to welcome to Duggers. Locally owned and operated for more than 50 years, we pride ourselves in supporting our community and have taken the liberty to list some of the many charities and organizations your support allows us to support too.

For any of your style needs, make an appointment or drop in any time to consult with the best sales associates & stylists in Atlantic Canada.

Wishing you all health and happiness in the months and years ahead!

Sincerely,
Ross McNeil

A full-page photograph of a man with a beard and slicked-back hair, wearing a light blue pinstriped double-breasted suit jacket and matching trousers. He is leaning against a textured grey wall, looking upwards and to the left. His right hand is tucked into his jacket, and his left hand is in his pocket. The lighting is dramatic, highlighting the texture of the suit and the wall.

A MODERN TAKE ON PERFECTION.

A man with dark hair and sunglasses stands in a city at night. He is wearing a dark leather jacket over a dark shirt and dark trousers. The scene is lit with dramatic, low-key lighting, featuring a prominent red light source that casts a strong glow on his face and jacket. A green light source is visible in the background, creating a lens flare effect. The background shows a blurred city street with signs and lights.

Suiting Simplified

These days we're often asked about how the world of suiting has changed (or largely exited most workplaces). While we have leaned into that sea change, consistently sourcing the best selection of sport coats and knits in Atlantic Canada, nothing says style like a suit tailored just for you.

For the most special events in your life, we'll always have you covered.
